Entertainment Guide**

Memorable Moments, Measurable Impact

Bring Me Magic is a proudly South Australian-owned entertainment company providing interactive entertainment and guest experiences for pubs, hotels and hospitality venues.

We work with venue managers and event teams to deliver engaging entertainment that enhances the atmosphere, attracts patrons and encourages guests to stay longer. Our experienced performers know how to engage a wide range of audiences while complementing your venue's operations and creating memorable experiences that keep customers coming back.

ROVING ENTERTAINMENT

Roving entertainment moves throughout the venue, creating atmosphere, engaging patrons and adding energy to the space without interrupting service or crowd flow. These experiences are ideal for peak trading periods and work well alongside scheduled performances or themed events.

Our roving entertainers are experienced in pub and hospitality environments, delivering lively, interactive performances that are visually engaging, social and enjoyable for a broad audience.

MAGICIANS

Our magicians perform close-up magic throughout the venue, creating moments of surprise and delight for both children and adults. Performances are short, engaging and perfectly suited to bars, beer gardens & dining areas.

Roving magic is ideal for:

- Entertaining patrons between meals & drinks
- Creating social interaction and joy
- Flexible entertainment for busy periods

CIRCUS PERFORMERS

Our circus performers add strong visual impact to your venue through skills such as juggling, balancing, unicycling and stilt walking. These acts create a vibrant atmosphere and are highly effective for energising busy pub spaces.

Circus Roving is ideal for:

- Creating a sense of excitement
- Enhancing gardens, play or dining areas
- Creating highly shareable family moments

VENTRILOQUIST & PUPPETEERS

This interactive roving act uses character comedy, storytelling and humour to engage children and families. The puppeteer moves through the venue, stopping for short interactions that encourage laughter and participation.

This option works well for:

- Younger audiences
- Family-focused campaigns
- Gentle, story-driven engagement

CHARACTER ENTERTAINERS

Our costumed character entertainers and mascot characters meet and greet families throughout the venue, encouraging interaction, photos and positive engagement. Characters can be themed for events or school holiday periods by engaging families and creating a welcoming atmosphere and longer dwell time.

Characters can also assist with:

- Generating organic social media exposure
- Seasonal promotions and themed events
- Creating memorable moments within the venue

STATIONARY ENTERTAINMENT

Stationary entertainment creates a clear destination within the venue where families can stop, participate and enjoy the experience together. These setups are designed to manage steady crowds smoothly, fit naturally alongside service and encourage longer dwell time.

All stationary entertainers focus on friendly banter and genuine interaction, taking the time to listen and chat with children as they participate. Whether it's face painting, balloon twisting or crafts, the experience is relaxed, personal and engaging.

FACE PAINTING

Professional face painters deliver bright, high-quality designs while maintaining an efficient, friendly flow suited to busy pub environments. Designs can be themed to match seasonal events and venue promotions.

Face Painting is ideal for:

- School holiday periods
- Longer linger time
- Providing strong photo and video opportunities

BALLOON TWISTING

Our balloon artists create fun balloon designs while engaging children as they wait, keeping the experience relaxed and enjoyable. Each child leaves with a balloon creation to take home, adding a memorable touch to their visit.

Balloon twisting is ideal for:

- Younger audiences
- Busy periods
- Adding take-home value for families

FAIRY FLOSS & POPCORN

Fresh fairy floss and popcorn are served by costumed entertainers, combining a treat experience with friendly interaction. This activation adds irresistible aromas, as well as colour, movement and atmosphere to key areas of the venue.

Fairy floss & Popcorn are ideal for:

- Festive campaigns
- Creating instant atmosphere
- Generating authentic social media content

AIRBRUSH & GLITTER TATTOOS

Fast, eye-catching tattoo designs suitable for both children and adults. This option allows for quick turnaround and high participation during busy periods.

Airbrush & Glitter tattoos are great for:

- Peak periods and weekends
- Short engagement moments
- Campaign-themed designs

ACTIVITY TABLES

Our activity tables are themed, facilitated activity stations designed to spark excitement through variety and hands-on participation. We offer a wide range of activity options, giving venues the flexibility to choose and rotate activities to suit their events, audience or schedule.

Activity table themes include:

- Arts and crafts
- Seasonal themes activities
- STEM Week
- Book Week
- Easter & Christmas

Activity tables are ideal for:

- School holiday programs
- Encouraging longer patron dwell time
- Creating engaging, hands-on experiences for families

CHILDREN'S DISCOS

Hosted disco sessions featuring music, movement and simple games, tailored to suit the age group and available space.

Children's Discos are ideal for:

- High-energy sessions
- School holiday entertainment
- Open areas within the venue

SCHOOL HOLIDAY PROGRAMS

JUGGLING WORKSHOPS

Interactive workshops where children learn basic juggling skills in a supportive and encouraging setting.

Juggling workshops work well for:

- Skill-based engagement
- Small group participation
- Structured activity zones

BALLOON TWISTING WORKSHOPS

Guided sessions where children learn to create simple balloon designs, combining creativity with hands-on fun.

Balloon twisting workshops are ideal for:

- Group activities
- Creative play
- Increasing customer dwell time and spend

MAGIC SHOWS

High-energy, award-winning interactive magic shows that keep children laughing and involved from start to finish. Each show is tailored to suit the audience size, age group and available space, making them ideal for pubs, hospitality venues and community events. Designed for busy venue environments, our performances create engaging family-friendly entertainment.

Magic shows are great for:

- Gathering patrons and increasing engagement
- School holidays and seasonal activations
- Encouraging longer patron dwell time

CIRCUS SHOWS

Family-friendly circus performances featuring juggling, balancing, comedy and audience participation. These shows create strong visual moments and a sense of excitement within the venue.

Circus shows are ideal for:

- Large open event spaces or gardens
- Delivering high-impact entertainment
- Creating memorable moments that stand out with patrons and guests

LIVE KIDS GAME SHOWS

Fast-paced, interactive game-show style performances that transform the venue into a lively stage experience, where children are invited to participate, cheer, play along and become part of the action. Featuring energetic hosts, exciting challenges, music, prizes and audience engagement, these live performances create a fun-filled atmosphere that keeps kids entertained while encouraging confidence, teamwork and laughter.

Live kids game shows are ideal for:

- Audience participation
- Group engagement
- Generating authentic social media content

PUPPETEER & VENTRILOQUIST MUSIC SHOW

A playful puppet and ventriloquist performance featuring music, humour and character-driven storytelling, designed to entertain families with interactive fun and lively audience participation. Children can also meet the puppets after the show for a special, memorable experience.

Puppeteer & Ventriloquist music shows are great for:

- Younger audiences
- Family-friendly environments
- Story-led entertainment

SEASONAL ACTIVATIONS

Seasonal activations create engaging experiences that enhance atmosphere, encourage family engagement and increase patron visitation during key hospitality periods.

SANTA & ELF EXPERIENCES

Our Santa and Elf experiences are designed to create a warm and festive atmosphere tailored to suit your venue layout and schedule.

Santa experiences can include:

- Roving or seated meet-and-greets
- Photo opportunities for families
- Skilled Elf entertainers and chaperones

Santa experiences are ideal for:

- Increasing patron visitation during peak festive periods
- Creating memorable social family-friendly experiences
- Supporting venue promotions, seasonal campaigns & special events

EASTER BUNNY & CHAPERONE

A friendly, well-managed Easter experience delivered by the Easter Bunny and professional chaperone to support interactions, photos and queue management.

Easter Bunny activations can include:

- Interactive roving throughout the venue
- Meet-and-greet with photo opportunities
- Easter egg handouts and Easter egg hunts

Easter Bunny activations are ideal for:

- Family participation
- Encouraging movement and atmosphere throughout the venue
- Increasing visitation and dwell time across the Easter trading period

HALLOWEEN ACTIVATIONS

Halloween activities create a fun, immersive atmosphere that encourages guest interaction and adds energy throughout the venue. Experiences are designed to suit pub environments while remaining welcoming and engaging for younger audiences.

Halloween activations can include:

- Roving spooky-themed characters
- Trick-or-treat style handouts
- Club-based Halloween Character hunts
- Interactive roaming experiences throughout the centre
- Meet-and-greet, photo opportunities and themed engagement moments

Halloween activations are ideal for:

- Creating a vibrant themed atmosphere during the Halloween period
- Increasing patron dwell time and social interaction
- Driving repeat visitation across multiple event days or weekends

St. Patrick Day Events

Our St. Patrick's Day entertainment is especially popular amongst Irish pubs, creating a lively, social and festive atmosphere tailored to suit your venue layout and event schedule.

St. Patrick Day experiences can include:

- Roving interactive Leprechaun-inspired characters
- Leprechaun / Clover-themed balloon hats & face painting
- Leprechaun-themed treasure hunt

St. Patrick Day activations are ideal for:

- Creating lively, memorable and social guest experiences
- Encouraging movement and atmosphere in the venue
- Increasing visitation and dwell time for families and groups

PROFESSIONAL STANDARDS & PRESENTATION

All activations are delivered by experienced, professional entertainers wearing high-quality, well-presented costumes suitable for public retail environments. Costumes are clean, themed and designed to photograph well.

All performers hold current Working With Children Checks and are covered by public liability insurance. Our team is trained to work safely and professionally within busy hotel and pub environments.

HOW WE WORK

We take a structured, flexible approach to every booking:

- Consultation and planning to suit your space, audience and goals
- Tailored entertainment mixes (roving, stationary and performances)
- Professional delivery with prepared, on-time performers
- On-site awareness, including queue management and venue sensitivity
- Post-activation support, with engagement summaries available on request

SIMPLE BOOKING PROCESS

Enquiry → Recommendation → Booking Confirmation → Delivery

If helpful, we're always happy to recommend an entertainment mix that works best for your venue or budget.
